Experience

Quaffmedia
Web Development (Intern)
June 2019 - July 2019

- Developed a social influencing Portal, to Interact with the audience.
- Influencers can start a campaign and events in which other users can participate.
- Influencers can also request for their own special page after hitting certain criteria.

Projects

Compete To Fit
Smart India Hackathon
02 March, 2019 - 04 March, 2019

- Built an Online gamified fitness web portal.
- Users can challenge thier friends by creating fitness challenges or competing in existing global challenges.
- Fitness devices such as Fitbit & Google fit were used to collect users realtime data of thier walking steps, calories burned and based on this data results were calculated.

Food Ordering Website
Web Development
Aug 2019 - Nov 2019

- Developed a website to order food from the nearest restaurant.
- Customers can browse restaurants menu & food can be ordered after signin.
- Restaurants owners can join as partners to setup their restaurant buisness on the website.
